NOTIFICATION FOR CONDUCTING THE BOILER OPERATION ENGINEERS' EXAMINATION

Subject: Notification to conduct Boiler Operation Engineers' Examinations for eligible candidates working within the State of Karnataka.

Reference: Government Notification No.: Ka 83 Kabani 2023, Date: 01-09-2023.

The Karnataka State Boiler Operation Engineers' Examination Board, constituted as per the reference notification, has decided to conduct the Boiler Operation Engineers' Examination in the state of Karnataka. Accordingly, eligible candidates can submit application for the said examination under the Boiler Operation Engineers' Rules-2025. Interested candidates can download the application form (Form-A) for the examination from the department's website <https://esuraksha.karnataka.gov.in>.

This notification is limited to the eligible candidates presently working in the factories established within the state of Karnataka. This notification is not applicable to the candidates working outside the state. The Board will fix the examination venue and date and inform the candidates about it.

Eligibility Criteria for the Boiler Operation Examination:

1. A candidate for a certificate of proficiency as a Boiler Operation Engineer shall have completed the age of twenty-three years;
2. Possesses a bachelor's degree or diploma in Mechanical or Electrical or Chemical or Power or Production or Metallurgical or Instrumentation Engineering from a recognized university or Institution;

Note: Any integration or combination with the above-mentioned branches of Engineering, for example, Electrical and Electronics, Electrical and Instrumentation, Mechatronics etc. shall also be allowed.

3. Has a post qualification experience of not less than two years in case of bachelor's degree holders and for five years in case of diploma holders in the operation or maintenance of a boiler of not less than one thousand square meters heating surface or a Battery of boilers of not less than one thousand square meters heating surface in aggregate out of which at least one boiler of not less than five hundred square meters heating surface: Provided that in case of a post graduate diploma course holder in Power Plant Engineering from a National Power Training Institute, the requirement of minimum working experience shall be one year; and that in case of a diploma course holder in Power Plant Engineering from a National Power Training Institute, the requirement of minimum working experience shall be four years.

General Instructions:

1. Candidates can download the prescribed application form (Form-A) of the examination from the department's website <https://esuraksha.karnataka.gov.in>.
2. Candidates should pay the required fee as specified with each application only through Treasury Challan. The Challan should be paid online through the website <https://k2.karnataka.gov.in/> in the name of "Director of Factories, Boilers, Industrial Safety & Health, Bangalore".

Fee Details:- Rs 2596=00 including GST

3. Two copies of the applicant's recent photograph (size 50mm x 65mm) should be attached with the application. The applicant should have his signature on the back of the photograph.
4. In the application, the candidate must fill in the required part of the form and sign it, and the person who issued the service certificate to the candidate must sign and attest it below.
5. The original copy of the candidate's practical experience service certificate must be submitted along with the filled application.
6. Attested copies of each of the educational qualifications, mark sheet/certificate, date of birth certificate and all other original certificates should be attached and submitted. This attestation should be signed and authenticated by the person who issued the service certificate to the candidate.
7. All original certificates should be produced at the time of examination.
8. The service experience certificate issued by the factory should be attested (signed and sealed) by the Divisional Office Officer of the Boiler Department related to the place of establishment of the factory where the service was rendered and attached.

9. Any candidate/person who provides false information with the intention of getting admission in the examination will be subject to legal action.

10. If the application is incomplete or submitted without following the above instructions, the application will be rejected.

Completed applications should be sent to the following address so that they reach within the office hours of 16-03-2026.

Assistant Director of Boilers & Member Secretary
Boiler Operation Engineers' Examination Board,
Kalyana Suraksha Bhavan, Ground Floor,
Dairy Circle, Bannerghatta Road, Bengaluru-560029.

The last date for receipt of applications is: 16-03-2026. Applications received after the last date will not be considered. In case the last date falls on a public holiday, the later date shall be considered as the last date.

(Ravi T)

Assistant Director of Boilers,
Member Secretary,
